

Plainfield Community Power Rates

The default rate for **Plainfield Community Power** is the **Granite Plus** power option (yellow highlight below), at **16.2 c/kWh**. This rate will help move Plainfield to its goal of 100% renewable electrical supply by 2030.

Renewable Content	Power Options	Rate c/kWh	Estimated Cost **
23.4%	Granite Basic	15.8	~ \$95 / month
33%	Granite Plus	16.2	~ \$97 / month
50%	Clean 50	16.9	~ \$101 / month
100%	Clean 100	19.1	~ \$115 / month
23.4%	Eversource	20.2	~ \$121 / month
23.4%	Liberty Utilities	22.007	~ \$132 / month

** Based on usage of 600 kWh per month

*The Plainfield Community Power rates apply **ONLY** to the **Energy Service** part of your bill.*

The Delivery Charges portion of the bill are utility charges that support the transmission and distribution of electricity, which are services always provided by the utility.
